Furniture Design & Production

Built for your exact space — not bought off a shelf. We design and manufacture custom furniture and built-in solutions for homes, offices, and retail environments across Karachi.

Residential Furniture
Wardrobes, beds, TV units, dining sets, and kitchen cabinetry designed for your home.

Kitchen & Bath Cabinetry
Custom cabinets, vanity units, and storage solutions built to fit your exact dimensions.

Office Furniture
Desks, workstations, reception counters, and office storage built for professional spaces.

Retail Displays & Counters
Shop display units, glass showcases, cashier counters, and branded retail fixtures.

Built-in Storage
Floor-to-ceiling shelving, under-stair storage, and modular built-in systems.

Bespoke & Custom Orders
Have something specific in mind? We design and build to your exact brief.

DESIGN PROCESS

We start with your space measurements and brief, produce a design drawing for approval, then manufacture and install — all in one place.

MATERIALS

Solid wood, MDF, plywood, laminate, glass, and metal — selected for your budget and aesthetic.

LEAD TIME

Most orders completed in 3–6 weeks depending on scope and complexity.

OUR PROCESS

Simple from start to finish

01

Consultation & Site Visit

We visit your property, understand your requirements, and assess the scope of work. No charges for the initial consultation.

02

Proposal & Quotation

You receive a detailed written proposal with scope, timeline, and transparent pricing. No hidden costs.

03

Agreement & Kickoff

Once agreed, we sign a formal contract, collect the advance, and begin mobilisation within a confirmed start date.

04

Execution & Updates

Work begins on site. You receive regular progress updates and have a single point of contact throughout.

05

Handover & Sign-off

We walk you through the completed work, address any snagging items, and hand over a clean, finished space.

WHY SPACE 21

One team, all trades

Repair, renovation, procurement, and furniture under one roof. No coordinating multiple contractors.

Transparent pricing

Detailed written quotes before work starts. No surprises, no last-minute additions.

Karachi based & rooted

We know the local market, suppliers, regulations, and what works in Karachi's climate.

Quality guaranteed

Every project is inspected before handover. We don't close until you're satisfied.
